

7-13-1917 - R. A. B.

OLD COURT HOUSE, B'way and Market Sts., built in 1839. The building is in form of a Greek Cross of Doric Order of architecture. This building also made historic by the slave sale that took place on its steps during the Civil War. While the building is old it still serves its original purpose, that of a place to deal out justice, according to the great laws of Missouri.
